

The image shows the homepage of NASA TV. At the top left is the "NASA TV" logo. To its right are a search icon and a menu icon. The central feature is the official NASA logo, which consists of a blue circle with the word "NASA" in white, overlaid by a red diagonal swoosh. The words "NATIONAL AERONAUTICS" are curved along the top edge of the circle, and "AND SPACE ADMINISTRATION" are curved along the bottom edge. The background of the main header is a dark, star-filled space image. Below the header, a blue rectangular box contains the text "HOT NEWS". Underneath this, a grey banner displays the headline "NuSTAR Probes Black Hole Jet Mystery". The main content area features a large, vibrant image of a black hole's accretion disk and a powerful jet of particles, colored in shades of orange, yellow, and purple against a dark background. At the bottom of the page, a dark blue footer bar contains the text "More Stories" in white.
